Dear Sh Shrivastava,

**14th NCB International Seminar on Cement and Building Materials
01-04 December 2015, Manekshaw Centre, New Delhi, India**

The response to the 14th NCB International Seminar on Cement and Building Materials – both by way of technical deliberations and participation has been overwhelming. Total of around 200 papers were deliberated spread over 27 technical sessions providing a common platform for interaction with renowned experts in the respective areas during the seminar.

We are deeply obliged to you for sharing your rich experience of cement & construction technology while carrying out the onerous task of conducting proceedings as Chairman and your contribution in making the seminar a grand success. We look forward to your continued association with us.

With kind regards,

Yours sincerely

Ashwani Pahuja
